

SOUTH COUNTY R/C CLUB
2023 MEMBERSHIP APPLICATION

CLUB STATEMENT

SCRCC is a radio-controlled airplane club. If you primarily fly other aircraft such as helicopters, or drones, SCRCC may not be a good match for your interests. If you occasionally fly other aircraft, such as helicopters or drones and get certified by one of our trainers, there will be times when the field is not busy and it is permitted. All the standard club safety rules must be followed.

Send your application and 2023 first year dues (\$100) to the address below. Schedule a time to meet with a club official at the field. Once you do this, you are a "probationary" member.
